

The Austin|Sundt Joint Venture is actively preparing to release bid packages for the new **San Diego International Airport Rental Car Center (RCC)**, which is scheduled to begin in the Fall 2013. Austin|Sundt, along with the San Diego International Airport Authority, is excited to invite your company to participate in this project. Construction is expected to take 24 months resulting in a new rental car center for San Diego International Airport.

The RCC project is valued at approximately \$223M. We are seeking subcontractors, as well as **Local/Small/Disadvantaged/Minority/Women and Service Disabled Veteran Owned Business Enterprise** contractors and material/equipment suppliers for, including but not limited to, the following scopes of work (subject to change):

Concrete Washout	Site Clearing/Grubbing	Survey
Reinforcing Steel	Temp Facilities Set Up	Power
Conveying Systems	Utilities Locator	Water
Parking Equipment	Traffic Control	Trucking
Electrical & Low Voltage	Structural Steel	AC Paving
Metal Stud Framing/Drywall	Metal Decking	Plumbing
Paintings & Coatings	Equipment Rentals	Precast Skin
Architectural Hardscape	Landscape & Irrigation	Misc. Specialties
Fuel & Fluid Storage Distribution Systems	Fireproofing	Trash Chutes
Toilet Partitions & Accessories		

All businesses interested in contracting opportunities with the Rental Car Center (RCC) Project and Austin|Sundt

GO TO: <http://www.san.org/sdcraa/business/northside/rcc.aspx>

Complete Steps 1 and 2 - PLEASE LIST THE PROJECT NAME AS "SDIA RCC" WHEN YOU REGISTER and PREQUALIFY.
